## Becoming A Member At

Membership in a congregation is a commitment to be part of a family of believers where worship, fellowship, learning and serving the Lord take place. It is a public commitment that acknowledges that Jesus is our Lord and Savior and should be made with careful thought and prayer.

We believe that the church is a group of believers who encourage and support each other in the challenge of being a fully devoted follower of Christ. Plain and simple: Christians need each other!

If you believe it is God's will for you to join the family of Centerpoint Church, or if you would simply like to learn more about the church to help you make that decision, we encourage you to register for the next:
